

Dear Parents,

I am sure everyone is looking forward to the summer break. Next year Highland Baptist Christian School will partner with Lunch Box Live for food servicing. Lunch Box Live provides meals daily to private schools throughout Acadiana. Our program is designed to offer students a variety of meals daily from local restaurants. The service creates an easy and convenient ordering system. The program is optional. If anyone has recommendations or contacts to restaurants in the New Iberia region, please feel free to contact me by email. Below is a description of how the program works.

- 1.) The parents log into our site, <https://www.lunchboxlive.net/>, and create an account. The parent will specify the student's school and grade within the account.
- 2.) Our menus are posted monthly. Clients have the option of ordering monthly, weekly or daily. All orders must be placed by 5pm the evening before delivery.
- 3.) Each day the menu will consist of multiple restaurants (usually three daily) and multiple meals. The cost per meal will be between \$5.60 and \$6.50.
- 4.) Payments can be made when checking out or a client can choose to bank funds to be used as they go. We accept credit cards and checks or Venmo.
- 5.) Meals are processed and sent to the restaurants the evening before and will be delivered to the school at the time specified by the school. Each meal will be labeled with the child's name and grade. Meals can be canceled for credit up until 5pm the evening before delivery.
- 6.) Lunch Box Live provides an employee on sight as well as all things needed for each meal.
