"Doing Our Best As We Strive for Excellence"

What We Believe

We believe that the principles and lessons learned in the classroom, at home and through the local church can be put into practice through athletics. A microcosm of society, athletics allows the student to develop and use his or her God given ability to glorify God. Because the arena of competition is usually surrounded with pressure, the athlete is tested, and the true character revealed. Consequently, the opportunity for character growth readily presents itself through athletic competition. Athletics at Highland Baptist Christian School is considered an integral part of a student athlete's curriculum.

We believe all Highland athletes should be diligent in preparation, relentless in effort, disciplined by nature, respectful in actions, self-controlled with words, humble in spirit, and aggressive in pursuit of excellence without regard to the score, opponent, time, referee, etc. As Christian athletes display these characteristics, good things usually happen: teams are successful, players are motivated, fans are supportive and enthusiastic, parents are proud, prospective athletes want to participate, and very often non-believers are drawn to Christ. Because a student's participation in athletics often helps foster a pattern of how to approach difficult tasks, major challenges, and intense pressure, athletics should be viewed as a crucible for developing Christian character. In order for the Highland athletic program to be successful, we equip our student athletes for their real test: life as a follower of Christ.

Highland's student athletes have been honored with the following awards:

- Wendy's High School Heisman Award
