IF A STUDENT LEAVES THEIR CHROMEBOOK AT HOME

First time “Freebie” : Students are allowed to have a parent bring their Chromebook to school one time without it being counted against them.

After the “Freebie” is used they will be allowed to phone their parent/guardian to bring it to school. ***This must happen before the school day starts and the Chromebook must be on campus before the first bell,*** If the Chromebook is not on campus by the first bell, students are to request a loaner from the Tech Desk.

CHROMEBOOK LOANER

If a student leaves his/her Chromebook at home or brought it to school without being charged, they are to get a loaner from the IT room

- First occurrence: FREE
- The second occurrence: \$5 fee billed to account
- The third occurrence: \$10 fee billed to account
- The fourth occurrence: \$15 fee billed to account and disciplinary action.
- Repeat violations of this policy will result in disciplinary action.

Students who obtain a loaner will be responsible for returning the borrowed device to the IT Room by 3:30 p.m.

Charging your Chromebook

- Chromebooks must be brought to school each day fully charged.
- Students need to charge their Chromebooks each evening.
- Chargers may not be brought to school.
- Students whose Chromebook battery does not last for a full day will be issued a loaner from the IT Room
- Students who obtain a loaner are responsible for returning the borrowed device to the Tech Desk by 3:30 p.m.

Taking Care of your Chromebook

Students are responsible for the general care of the Chromebook they have been issued by the school. Chromebooks that are broken or fail to work properly, must be submitted to the Tech Desk as soon as possible so that they can be taken care of properly. ***Do not take any HBCS-owned Chromebooks to an outside computer service for any type of repairs or maintenance.***

General Guidelines

- Chromebooks & chargers must have an HBCS asset tag on them at all times; **these tags must not be removed or altered in any way.** If a tag is removed, disciplinary action will result.
- No food or drink is allowed next to a Chromebook.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Never transport a Chromebook with the power cord plugged in. Never store a Chromebook in its carrying case while plugged in.
- Never carry a Chromebook while the screen is open.
- Chromebooks must remain free of any writing, drawing, or stickers.
- Vents cannot be covered.
- Chromebooks should never be left in a car or any unsupervised area.

- Students are responsible for bringing completely charged Chromebooks for use each school day. Chargers must be left at home.
- Any “pranking” of another student’s Chromebook (hiding, switching , etc.) will be subject to disciplinary action, up to and including possible suspension.

Carrying Chromebooks

- Transport Chromebooks with care.
- Chromebook lids should always be closed and tightly secured when moving.
- Never move a Chromebook by lifting from the screen. Always support a Chromebook from its bottom with the lid closed.
- Case use is required when transporting the Chromebook to and from buildings and from classroom to classroom.

Screen Care

Chromebook screens can be easily damaged. **Screens are particularly sensitive to damage from excessive pressure on the screen.**

- Do not lean or put pressure on the top of the Chromebook when it is closed.
- Do not place objects (textbooks, backpacks, etc.) on top of the Chromebook when it is closed.
- Do not store the Chromebook with the screen in the open position.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Do not poke the screen with anything that will mark or scratch the screen.
- Do not place anything on the keyboard before closing the lid (e.g., pens, pencils, or disks). Do not place the device near magnets or anything with high electric current.
- Clean the screen with a soft, dry microfiber cloth or anti-static cloth; cleaning solvents can damage the screen.

Chromebooks Needing Repair

- Chromebooks needing repair will be brought to the IT Room to have a repair ticket created. **All repairs will be handled by the technology department staff.**
- **Students will be responsible for the cost of any parts purchased (i.e. screen, keyboard, chargers, etc.) that are damaged while in their possession.**
- Students and families should never attempt to fix a broken Chromebook nor should they have anyone else attempt to fix their Chromebook.
- ***Loaner Chromebooks will be issued to students when their Chromebook is in the IT Room for repairs (without fee or penalty).***
- Students using loaner Chromebooks will be responsible for any damages incurred while in their possession.
- Students will be required to reimburse HBCS for the replacement cost if a loaner Chromebook is lost or stolen.

At Home Use

- The use of Chromebooks at home is encouraged.
- Chromebook care at home is the same as at school; refer to the care section.
- Always transport a Chromebook in its carrying case.
- School-supplied filtering is not available at home.
- Chromebooks are to be used for educational purposes only and usage can be audited at any time.
- Students will be bound at all times by HBCS technology policies, administrative procedures, acceptable use policies, and all other guidelines in this document.

Chromebook Technical Support

Technical support is available as follows. Additionally, if repair is necessary, students will submit a request for repair at the IT Room

The Technology Coordinator will provide the following:

- Password resets
- User account support
- Coordination and completion of warranty and Safeware repairs or replacements
- Loaning of Chromebooks while a student's Chromebook is out for repairs, left at home or not charged when brought to school.
