

## **2019 Summer Reading Titles for Grades 2nd-12th**

**Students entering 2nd-12th grades will be REQUIRED to read one novel over the summer. Students will need their novels at the beginning of school, so the novels will need to be purchased.** We will all need to have the exact same edition, so make sure to pay attention to the ISBN numbers **if** it is listed below. A quiz will be given during the first full week of school.

Students often struggle with grammar and reading comprehension. For this reason, we recommend that students READ as much as they can. It doesn't have to be fiction--it can be anything they like, but students need to read more: magazines, crossword puzzles, comics, newspapers, etc. It doesn't matter--they just need to read. Reading helps build vocabulary and helps with writing skills. It also helps to achieve a higher score on the ACT.

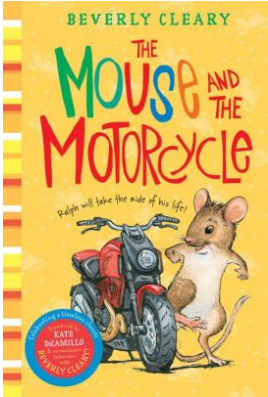

The following is a link to additional novels recommended by ACSI:  
[http://www.ecsenid.org/images/documents/ACSI\\_Recommended\\_Reading\\_List.pdf](http://www.ecsenid.org/images/documents/ACSI_Recommended_Reading_List.pdf). If your student would like to tackle additional reading, we suggest he/she select from a grade level below for pleasure or a grade level above for a challenge.

These books are available through Books Along the Teche (367-7621), Barnes & Noble, B-A-M or other Online venues.
