

HIGHLAND BAPTIST CHRISTIAN SCHOOL

GUARDING THE TREASURE IN EDUCATION

Dear Parent and Student,

Thank you for your interest in Highland Baptist Christian School! Whether seeking admission to our elementary school, middle school, or high school, our staff is committed to assisting you in discovering all that Highland has to offer.

We believe the best way to get to know Highland is through a campus tour where you can visit classrooms, speak with faculty and staff, and see first-hand what a difference HBCS can make for your child and family.

The admissions staff can assist with all aspects of the admission process, including:

- Campus tours
- Admissions testing if indicated
- Student shadow days
- Applications

The college-preparatory curriculum of HBCS is designed to develop skills and attitudes within our students that will equip them not only for college, but also for a life that is pleasing to God. Students are offered a balanced program with a small teacher-to-student ratio presenting strong spiritual, intellectual, physical, emotional, and social development opportunities.

It would be my privilege to meet with you regarding any questions you may have about HBCS; simply call 337-364-2273 to schedule an appointment. Again, thank you for your interest in Highland Baptist Christian School.
